

## LIMITED ENGLISH PROFICIENCY POLICY STATEMENT

**ADVOCAP** is committed to providing equal opportunity in all programs, services and activities to individuals who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English. Those individuals are referred to as limited English proficient, or “LEP.” Meaningful access to Federally funded programs and activities is required by Title VI of the Civil Rights Act of 1964 and its implementing regulations.

Meaningful access to LEP individuals is provided in two ways: Oral interpretation and written translation. Oral interpretation can range from on-site interpreters for critical services provided to a high volume of LEP persons, to access through commercially available telephonic interpretation services. Written translation can range from translation of an entire document to translation of a short description of the document.

ADVOCAP fulfills this obligation by one or more of the following: hiring bilingual staff, hiring staff interpreters/translators, contracting for interpreters/translation services, using telephone interpreter lines, using Google Translate or other translating applications on the internet and/or using community volunteers. ADVOCAP understands that the interpretation/translation must be performed in a competent, confidential, ethical, and accurate manner at no cost to the LEP individual. ADVOCAP does not rely on the LEP individual to provide an interpreter.

If an LEP person requests to use a family member, friend, or other adult as an interpreter, ADVOCAP makes the LEP person aware that ADVOCAP will provide a qualified interpreter at no cost to the LEP person. ADVOCAP respects the LEP person’s choice of interpreters. If the LEP person chooses a family member, friend, or other adult to interpret instead of one provided by ADVOCAP, ADVOCAP makes a record of that decision. If ADVOCAP believes the interpreter selected by the LEP person is not competent or appropriate, ADVOCAP supplements with its own qualified interpreter. Minors should not act as interpreters unless there is an emergency, and another interpreter is not immediately available.

ADVOCAP records the number and date of instances in which interpretation was offered, what service was offered (e.g., staff, in-person contracted, telephone, etc.), whether it was accepted or whether the LEP individual selected their own interpreter, and in what language group the service was needed.

ADVOCAP monitors its changing demographics and population trends on an annual basis, to ensure awareness of the language needs in its service area.

ADVOCAP requires its sub-recipients to comply with the LEP policies requirements.
